Monthly volume***Disclaimer***

Please complete all the fields in this form to register a Sender ID of your choice. Note that submitting a form with incomplete fields could result in the rejection of your application. Upon approval, this Sender ID will be registered for you for the selected destination. Refer to Telesign Terms of Service or your company's MSA for details on your SLA.

Exemption of liability*

Please note that the guidelines provided are not intended to be used as a comprehensive guide or interpretation of compliance rules, laws or regulations that apply to text message programs in the United States. Telesign recommends that customers seek legal counsel for guidance and questions relating to interpreting applicable legal and regulatory requirements specific to their business practices and use case.

For successful registration please attach a complaint opt-in flow upon submission. For opt-in screenshot/flow guidance, [click here](#).
